Sir:

The above-identified patent application contains sequences of nucleic acid and polypeptides. A sequence listing was prepared for the parent application, Serial No. 09/092,314, filed June 5, 1998, in paper and computer-readable format. The sequences in the present application are identical to those presented in the parent application. Therefore, please transfer to this application, in accordance with 37 CFR §1.821(e), the computer readable copy from applicants' other application.

Applicants respectfully submit that the present patent application is now in compliance with 37 CFR §§1.821-1.825.

Applicants believe that no fee is due in connection with the filing of this paper. However, the Commissioner is hereby authorized to charge any fees which may be required by this paper, or to credit any overpayment, to Deposit Account No. 50-0815.

Respectfully submitted,
